Help: Data-Aware Page

A quick tour of the Data-Aware page in three steps. Use Next and Back, or click any part of the sketch below.

1 Specifications & Costs — 2 Model Viewers — 3 Prefix & Continuation

STEP 1 OF 3

Specifications & Costs

The left-hand column sets which models the planner works with, and what each deviation from them costs.

Click a highlighted part of the sketch to learn more about it.
